6 Event

Half Marathon (21.0975 km)

7 Schedule

Sunday, May 12, 2024

9:45 a.m. Wheelchair Division Start

10:05 a.m. Elite division, JAAF-registered runners division, and General participants / First Wave Start

10:10 a.m. General participants / Second Wave Start

12:42 p.m. Race ends

8 Venue

Sendai City Athletic Field (Kohshin Rubber Athlete Park Sendai) *hereinafter: Kohshin Park Sendai

9 Course

Kohshin Park Sendai / East side of the road (Start) — <Turn around> AEON Style Sendai Oroshimachi

— <Turn around> Jozenji-dori Avenue 141 Building — <Turn around> Itagaki, Nijuninmachi Main shop — Kohshin Park Sendai (Finish)

* This course is certified by JAAF, World Athletics (WA), and World Para Athletics (WPA) (Tentative)

10 Rules of the Race

The race will be conducted in accordance with the rules and regulations of JAAF and WPA, and the terms and conditions for this race.

11 Capacity, Time limit, and Participation fee

Event	Capacity (runners)	Time limit	Participation fee (JPY)
Invited runners, etc.	100	2 hours and 30 minutes *Eligibility Must be able to complete a half marathon (21.0975 km) in 2 hours and 25 minutes	—
Elite division	100		8,000 yen
JAAF-registered runners division	1,400		
General participants	8,200		
Charity runners (General participants)	100		40,000 yen (Include) Participation fee 8,000 yen + Donation 32,000 yen
Wheelchair division	100	1 hour and 30 minutes	7,000 yen

12 Checkpoints

Designated checkpoints along the course will close at the following times.

Checkpoints (in front of)		Wheelchair division	Elite division / JAAF-registered runners division / General participants
① 8.1 km	No.2 parking lot of Sendai City Museum	10:25 a.m.	11:13 a.m.
② 11.6 km	Omachi Nishi Park Station	10:35 a.m.	11:37 a.m.
③ 13.6 km	Itsutsubashi Police Box	10:40 a.m.	11:51 a.m.
④ 16.6 km	Sendai Sun Plaza	10:50 a.m.	12:12 p.m.
⑤ 19.6 km	West parking lot of Rakuten Mobile Park Miyagi	11:00 a.m.	12:32 p.m.

* In addition to not passing checkpoints before the closing time, a runner who is observed to be significantly slow will be disqualified.

* Regardless of the checkpoint closing time, runners may not continue the race if they were surpassed by the vehicle signaling the lift of traffic restrictions that departed following the last runner to start the race.

* If competition officials determined that a wheelchair racer will be surpassed by runners of other divisions, the participant will be disqualified as per road safety reason for the race. In that case, the competition officials will make a withdrawal announcement as soon as the wheelchair racer has been overtaken by a runner of another division, and the racer must follow official instructions and embark the bus designated for picking up disqualified runners.

* Runners may not continue the race after a checkpoint they have yet to pass closes. Any runners left on the course after the closing time must promptly remove their athlete bibs, move onto the sidewalk, and embark the bus designated for picking up disqualified runners.

* The race will finish entirely at 12:42 p.m. Traffic restrictions on the course will be lifted, making it impossible to continue the race. Any runners left on the course after 12:42 p.m. must promptly move onto the sidewalk, remove their athlete bibs and withdraw from the race.

13 Water Stations

Water stations and toilet facilities can be found along the course at the following locations

* Please note that locations and supplies are subject to change.

Locations		Supplies	Facility
① 5.1 km	NTT East Itsutsubashi Building	Water / Sports drinks	Toilet
② 9.3 km	Nishi Park	Water / Sports drinks	Toilet
③ 13.2 km	Kahoku Shimpo Head Office	Water / Sports drinks	Toilet
④ 16.1 km	TOSNET Head Office	Water / Sports drinks, sponges	Toilet
⑤ 18.7 km	South Entrance Square of Tsutsujigaoka Park	Water / Sports drinks	Toilet

14 Record Measurement

- Record measurements are made using tracking tags (BibTag) *The tag will be attached on the backside of one's athlete bib.
- Record measurements are based on "Gross Time" and "Net Time", and gross time measures the split time (every 5 km).
- Official record (gross time) are measured based on the time of the signal gun of each wave.
- If a runner who belong in the first wave started in the second wave instead, their record measurement will be measured starting from 10:05 a.m., which is the start time of the first wave.
If a runner who belong in the second wave started in the first wave instead, they will be disqualified.

15 Measurement of the sole thickness of shoes

Those who are JAAF-registered runners and complete the race within the following time limit will have their sole thickness measured after they finished the race. If it was discovered that one violated the rules of the race as regulated by JAAF, the runner will be disqualified.

Men	Within 1 hour 4 minutes
Women	Within 1 hour 18 minutes

16 Awards

- 1) Elite division, JAAF-registered runners division / Comprehensive category
First to eighth place per men and women divisions will receive an award certificate and a commemorative gift.
* Only runners who placed first through third place will be recognized at the award ceremony, while certificates and commemorative items will be sent out to fourth through eighth place runners at a later date.
- 2) General participants
For the comprehensive category and the 5 age categories mentioned below, the first to eighth place per men and women divisions will receive an award certificate and a commemorative gift.
① 18 to 29 years old ② 30 to 39 years old ③ 40 to 49 years old ④ 50 to 59 years old ⑤ 60 years old and older
* Only runners who placed first through third place will be recognized at the award ceremony, while certificates and commemorative items will be sent out to fourth through eighth place runners at a later date.
* The ranking based on the age is determined using Net Time. Award certificates and commemorative items for first to eighth place will be sent out at a later date.
- 3) Wheelchair division
The first to eighth place per men and women divisions will receive an award certificate and a commemorative gift.
* Only runners who placed first through third place will be recognized at the award ceremony, while certificates and commemorative items will be sent out to fourth through eighth place runners at a later date.
Age Ranking
Based on the age of runners on the day of the race, the top 10 runners of each sex in each age category will be awarded.

* Regardless of the category (Elite division, JAAF-registered runners, and general participants), the ranking is determined using Net Time, and award certificates will be sent out to eligible runners at a later date.

17 Completion Certificate

If a runner was able to complete the half marathon within the time limit, a digital completion certificate will be issued which can be downloaded on the dedicated website at a later date. (Please refer to the Participation Guide, which will be sent out to runners in mid-April, 2024). In addition, an immediate report of race results will be available from the day of the race on the website "Runner's Update" where participants will be able to confirm their personal time.

●Runners Update: <https://runnet.jp/record/>

* If a runner was able to complete the half marathon within the time limit, they will receive a finisher's towel.

18 Official Record Certificate

- 1) Elite Division runners and JAAF-registered runners who completed the race will receive official record certificates at a later date upon having their records screened.
- 2) JAAF-registered individuals (for FY 2024) who participated as general participants, completed the race, and wish to receive an official record certificate may receive the certificate upon having their records screened. One must access the designated online application form and enter the following information (① through ④): ① Number of athlete bib, ② Full Name and reading of name in hiragana, ③ Name of affiliated athletic organization, ④ JAAF-ID.
Submission period begins on May 12, 2024 (Sun) and ends at 5:00 p.m. on May 24, 2024 (Fri). Applications submitted after the deadline will be rejected. Details about the designated form will be announced on the official website of the race on the latest information tab after the race finishes.
* One's must complete the registration procedure at JAAF for FY 2024 and receive certification by May 8, 2024 (Wed). Please note that official record certificates will not be issued for those who have yet to receive certification from JAAF.
* When screening the record, if any gap or lap time irregularities between checkpoints was found (excluding irregularities which resulted from the malfunctioning of measurement devices), an official record certificate will not be issued.

- * Please make sure to bring your athlete bib on the day of the race. If a bib has to be reissued due to personal circumstances of the participant, a reissuance fee of 1,000 yen will be charged at the venue.
- * Overseas runners will be guided separately.

23 Doping control

- 1) This race is subject to doping control in accordance with WA’s Anti-Doping Rules and Code or the Japan Anti-Doping Code. Urine or blood samples (or both) will be randomly collected before or after the race. All applicable individuals must be tested following the instructions.
- 2) Therapeutic Use Exemptions (TUE)
Those who must use prohibited substance or treatment method included in the international standard prohibited list for the treatment of an illness must apply for a "Therapeutic Use Exception (TUE)".
For further details, please check the website below.
JAAF Medical Committee (<https://www.jaaf.or.jp/about/resist/medical/>)
JAPAN Anti-Doping Agency (<https://www.playtruejapan.org/>)

24 Aid Volunteer Runners

As a medical aid initiative, ‘Aid Volunteer Runners’ who can provide emergency medical treatment to runners if required during the race while running the half marathon course are being recruited.

【Content of activities】

During the race, if a runner who is injured or in poor health has been detected, Aid Volunteer Runners will cooperate with the nearest competition official (official on the course) and medical staff to offer medical aid (call to them, check their status, and perform necessary treatment).

*Medical staff will be positioned at fixed points along the course so activities will be coordinated with them.

In emergency situations such as cardiopulmonary arrest, one should perform life-saving measures, contact the nearest competition official (official on the course) and medical staff, and call an ambulance. *After doing this, return to the course and continue with your duties.

【Recruitment Capacity】

About 30 people (First-come first-served basis)

【Requirements】

Those who meet the following two requirements.

Those who are:

- 1) Doctors, nurses, assistant nurses, emergency life paramedics, individuals who have completed the Emergency Treatment Course I and individuals who have completed the Emergency Treatment Standard Course. Those who have any of the above qualifications and can perform cardiopulmonary resuscitation and first aid.
- 2) Individuals who have experience completing a full marathon/half marathon and can perform their duties while running the course.

【Application period】

December 6, 2023 (Wed.) to January 9, 2024 (Tue.)

25 Aid Support Runners

With the aim of managing a safe race, the organizer asks participants working in the medical field to register as ‘Aid Support Runners’. By registering, they agree to provide emergency medical treatment in the event that they encountered an emergency concerning other runners’ health during the race. We kindly ask for your understand and cooperation.

【Content of Activities】

Provide emergency medical treatment or support medical staff if they encounter an emergency during the race.

【Recruiting】

Qualified medical doctors, nurses, assistant nurses, emergency life paramedics who would like to register as Aid support Runners. To register, please check the box indicates your medical qualification on the application. The sticker for aid support runners will be enclosed with your athlete bib, etc.; therefore, please affix it on your chest during the race.

【Note】

Aid support runners must submit their entry like any other applicant. In addition, the organizer will not reimburse travel expenses, provide any monetary reward, or exempt one's participation fee.

Record measurement will continue while one is engaging in aid support activities. Aid support runners must understand that the organizer will not provide relief measure if they failed to pass a checkpoint as a result of providing aid support.

26 Other

- 1) This race doubles as a trial race for runners to be dispatched to the Nenrin-pic Marathon Exchange Event (senior division). Sendai residents who are 60 years old or older are eligible. For details, please contact the Sendai City Health Welfare Organization. (☎ 022-215-3170).
- 2) Amongst the top runners from the elite division and JAAF-registered runners, one male runner and one female runner will be invited to the Kume Island Marathon, while one male runner and one female runner amongst general participants will be invited to the Kobe Marathon. Only Sendai residents are eligible for the aforementioned invites.
- 3) The Sendai International Half Marathon 2024 is operating in alliance with 'RUN as ONE – Tokyo Marathon 2025 (General division)'. Amongst those who completed the Sendai International Half Marathon 2024 and applied to enter the lottery for this program, three individuals will be selected to participate in the Tokyo Marathon. * Any cost related to participation (participation fee, transportation and accommodation expenses) must be borne by participating individuals. Details on how to apply to enter the lottery will be announced on the official website after the race finishes.

■ Note regarding Participation in the Race

- There is no parking lot at the race venue; therefore, please use public transportation when coming to the athletic park. The organizers are not responsible for late arrivals due to delays of public transportation, traffic congestion, etc.
- Participants must pay attention to their health and undergo adequate training before participating in the race. If a participant suffers from heart diseases or any other illnesses, or is not feeling well on the day of the race, they must withdraw from the race.
- Wearing or displaying any designs or trademarks representing a company or product for the purpose of advertising at the venue is prohibited, including on the race course. In addition, wearing or displaying items featuring political slogans or language against public order and morals is also prohibited. Moreover, should the organizers deemed a participant's item to be inappropriate, the participant might not be allowed to participate in the race.
- During the race, if the organizers (race official, doctors, medical staff, etc.) determine that there is an obstacle to a participant's continued participation in the race, the participant must follow their instructions and withdraw from the race immediately. In addition, participants must follow directions from the organizers concerning safety and/or the administration of the race.
- During the race, runners might be stopped due to prioritizing emergency vehicles or allowing pedestrians in neighboring areas to cross the road.

■ Notes regarding Application

- Individuals who are found to have submitted more than one application will be disqualified and will not receive refunds for their participation fees and service fees.
- Applications that have been submitted may not be altered, corrected, or cancelled. If there are any problems with the submitted information, the event secretariat will contact the applicant through e-mail or by calling the telephone number provided.
- Please note that the event secretariat will not respond to over-the-phone inquiries about the status of application acceptance.
- The organizers are not responsible for delays in submission of applications caused by problems related to internet connection.
- Please be aware that online entry might not be possible on some computers, operating systems or internet browsers.
- Receipts for payment of participation fees will not be issued.
 - Please use a statement or invoice issued by one's credit card company
 - For payments made at convenience stores, the customer copy of payment confirmation will be used in place of a receipt.

■ Terms and Conditions of Application

Applicants must agree to the following terms and conditions before filling out the application form.

- Submitted applications cannot be altered (changing division) or cancelled due to personal circumstances.
- If the race is cancelled or curtailed due to conditions beyond the organizers' control (earthquakes, storm or flood damage, incidents, accidents, infectious disease, etc.), details on whether participation fees will be refunded, or the amount of refunds that will be issued etc. will be determined upon considering costs such as relevant fees that arose by the time of the cancellation. In addition, there will not be prioritized qualification for a future race.
- Participation fees will not be refunded under circumstances such as inability to participate in the race due to personal circumstance, multiple applications, and overpayment or multiple payments.
- Participants must not falsify their age, sex or other information including their race record, or have someone else run in their stead (proxy runner). If falsified participation is found, the organizers will decide on revoking the participant's entry and any awards they received, barring the participant from future participation in the race, and other consequences. Additionally, the organizers are not responsible for providing aid or refunding participation fees under these circumstances.

- If a participant becomes ill or injured during the race, emergency medical treatment will be provided; however, the organizers are not responsible for the methods used, effectiveness of the treatment, etc.
- The organizers are not responsible for any accidents, losses, injuries or illnesses that occur during the race, excluding for incidents that are intentionally caused by the organizers or result from gross negligence on the part of the organizer.
- Compensation for accidents and injuries, etc. that occur during the race is limited to the coverage of the organizers' insurance policy.
- Images, photographs, articles, and records, etc. taken at the race (including personal information such as one's name, age, sex, record, and portrait) may be reported, published, or used in newspapers, TV, magazines, online publications, pamphlets, etc. Furthermore, the publication right and usage right of such media belong to the organizers. Moreover, it is possible to conduct commission sales on photographs, images, etc., if authorized by the organizers.
- Other than the terms and conditions as stated above, participants must act in accordance with the race regulations and terms of agreement as determined separately by the organizers.

Use of Personal Information

- The organizers recognizes the importance of personal information and shall comply with all applicable laws and regulations and abide by the race's personal information protection policy. Additionally, personal information may be provided to third parties such as healthcare centers, medical institutions or JAAF as parts of infectious disease prevention countermeasures.
- With the objective to improve services provided to participants, personal information of participants will be used to deliver participation guides, record notification, related information, invitations for future race, services provided by cooperating and related organizations, press release (for announcing rankings), and as parts of prevention and countermeasures against infectious diseases. Additionally, organizers and authorized representatives might use personal information to contact participants in order to verify details of their applications.
- The Sendai International Half Marathon 2024 is participating in the RunLink Age Ranking conducted by JAAF. The RunLink Age Ranking, a ranking of all official races certified by JAAF, which lists all participants' results including that of elite runners. In accordance, data of the following personal information of participants will be provided to JAAF: address (municipality level), name, athlete bib number, date of birth, sex, time record, and ranking. Those who do not wish to be listed, please contact JAAF directly at 050-1746-8410.
- The Sendai International Half Marathon 2024 is operating in alliance with 'RUN as ONE – Tokyo Marathon 2025 (General division)'. In accordance, personal information of participants in this race will be provided to the Tokyo Marathon Foundation via electromagnetic means.

Information to be provided include;

- ① Name ② Sex ③ Date of Birth ④ Contact information ⑤ Records (Result).
